WIN! Eco-friendly kids' clothes

Win a selection of **Eco Peko** certified-organic cotton clothes for your bub or toddler. We have two prize packs to win, each valued at \$150.

The kids can step out in style and still be little greenies with this cute range of clothing from Eco Peko. The brand, created by WA mum of two Justine Davis, is designed with sustainability in mind – from the choice of fabrics, right through to the manufacturing process.

Suitable for boys and girls, the range includes T-shirts, hooded tops, jeans and $\frac{3}{4}$ length pants, all made from sustainable fabrics such as organic cotton and bamboo. The T-shirts (\$39.95) come in different prints featuring environmental slogans, from the bold Eco Chic range (“My dad recycles more than your dad”) for toddlers, to the more subtle Eco Babies range (“Eco babies love to save water”). The Organic Happy Daks (\$39.95) are super-soft and comfy, and cut long to protect baby’s knees when crawling. Each prize pack will contain two T-shirts and two pairs of Happy Daks.

The company uses low-impact metal-free dyeing processes and the prints are made using water-based inks. For stockists and more information go to: www.ecopeko.com or phone 0448 218 135.
